

Carols in the Park 2016

At the end of last year the CRC decided to take on the Christmas Carols we had just three weeks to bring it together. Our team put in a huge effort and we combined it with a Christmas Roadwise campaign, Decorate your Gate. Peter Scharf volunteered as a catholic representative to MC the evening, Sue Betteridge performed a reading and was the Anglican representative. Even the Jurien Bay Bubble Fairy made an appearance as an elf. A very special performance by Claire McGlew and everyones hearts sing, and as the sunset the cockies tuned in as well. Thank you to the footy club for allowing us to use the BBQ trailer and the DCC for providing the chairs. Our band of merry men including Graeme, Mac, Coops and others joined forces to layout the decorations, Christmas tree and the evening BBQ. With 56 people attending we sung the classic carols and then rocked on to funky-up 70's tunes. Peter blessed the road and we presented the prizes for the best Decorate your Gate entry. We had six people enter our Gate competition. A special thank you must go to Mr & Mrs Ellyard who provided the sound equipment and oversaw the BBQ, and lastly a extremely big thankyou to Fowler Electrical who got on board and provide us with the lighting for the event.

The Dandaragan CRC will continue this event in 2017 and would like to thank Advance Dandaragan and the Shire Funding that made this event possible. We have already booked in Kate Linke for this year and hope to expand the line-up for Christmas 2017, we will also repeat the Decorate your Gate competition. Thank you to all those who attend and Colleen Johnson for the handover and huge Q&A session.
